2. Account Settings Home Page

When a user logs into reminderXchange, they are taken to the **Account Settings** page. From here, the user can edit basic account information including phone number and credit card information, etc.

NOTE: This page also contains an **Account ID**, which is your unique four (4) digit account code.

Once logged in, you may access any tab/page from the **Content Menu** on the left side of the screen.

The screenshot displays the 'Account Settings' page. On the left is a vertical content menu with the following items: 'Account Settings' (highlighted), 'Upload Reminder File', 'Enter Reminder List', 'Get/View Reports', and 'Review Your Current Reminders' (with a speaker icon). The main area on the right contains a form with the following fields:

- Account Name:
- Account AddL1:
- Account AddL2:
- Account City:
- Primary Contact:
- Primary Phone:
- Primary Email:
- Billing Preference:

3. Upload Reminder File

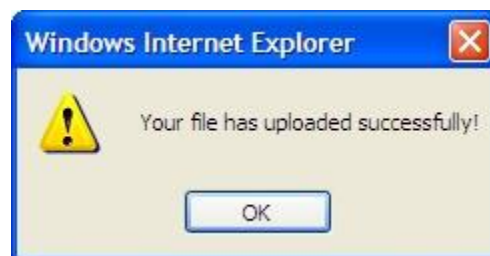

This feature allows users to send their reminder list(s) to reminderXchange for processing. Upon receiving uploaded files, reminderXchange initiates the process of contacting each person on the list via phone, email or text. Following are instructions for use and uploading:

1. Select the date for which you want the reminder calls/emails/texts to be sent. You may do so by clicking on the **Calendar** and selecting the desired date.
2. Click the **Browse** button and select the file to be uploaded.

NOTE: File types allowed for upload include: .CSV, .TXT, .XLS, .XLSX and .PDF. If you attempt to upload a file that is not of one of these types, you will receive the following message and your file will not upload.

3. Once you have selected a date and file, click the **Upload File** button.
4. You will receive a message that says you have successfully uploaded your file and the page will refresh.

NOTE: To view all files that have been uploaded in the current month, select [**View Current Month Uploaded Files**], [\[View Current Month Uploaded Files\]](#)

4. Message Blast

First you must choose if your message will be using the reminderXchange female voice or if you would like to record your own message using your phone. Follow the instructions in STEP 1 to complete this task. It is recommended to use the **Upload File** feature but the **Enter Reminder List** functionality is made available for quick-entry of a short list of calls/email/texts to be processed. This allows the user to enter all names, phone numbers and appointment information individually and send to reminderXchange for processing.

1. Select the voice to be used for the Message Blast: Standard female reminderXchange voice or record a message using your own voice.
2. Choose the message types you would like sent: Phone, Email and/or Text.

3. Select the date for which you want the reminder calls/emails/texts to be sent. You may do so by clicking on the **Calendar** and selecting the desired date.
4. Click the **Browse** button and select the file to be uploaded.
NOTE: File types allowed for upload include: .CSV, .TXT, .XLS, .XLSX and .PDF. If you attempt to upload a file that is not of one of these types, you will receive the following message and your file will not upload.

5. Click the **Submit** button.

5.1 Get/View Reports - Daily Reminder Report

Users may view or download reports at any time. The Daily Reminder Report lists the results of all reminder messages that were sent on a given day. An example is shown below:

NOTE: To view the previous month's **Reminder Reports** select [**View Previous Month Daily Reminder Reports**] near the bottom of the screen.

5.2 Get/View Reports - Monthly Activity Summary Report

The Monthly Activity Summary Report is a summarization of the entire month of reminder messages sent out. It illustrates both in numeric and chart view, the calls, emails and text message total counts and results for the month. This report also contains the supporting detail of each transaction (reminder message) for each month of the current year on separate tabs. It also contains Year-To-Date totals. An example of the Monthly Activity Summary report is shown below:

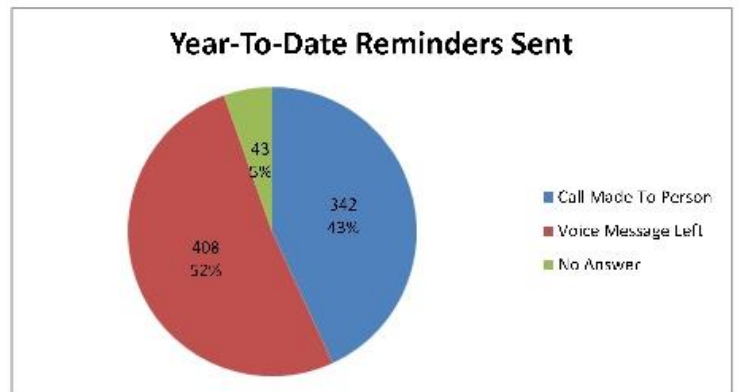

NOTE: To view all Monthly Activity Summary reports for the current year select **[View Monthly Activity Summary Reports]** near the bottom of the screen

MONTH 05 - MAY	Qty	Result
	70	Call Made To Person
	80	Voice Message Left
	8	No Answer
Total:	158	

Note: Calls recorded as 'No Answer' are after multiple attempts

YEAR-TO-DATE	Qty	Result
	342	Call Made To Person
	408	Voice Message Left
	43	No Answer
Total:	793
